MAJOR PART DISPERSAL OF THE PANTYRHUAD HERD OF PEDIGREE WELSH BLACK CATTLE

ON BEHALF OF MARTYN THOMAS & COMPANY LTD, STEMBRIDGE COURT, LLANDOW

(FORMERLY OF TREHENRY FAWR, LLANDEFALLE, BRECON)

WEDNESDAY 1ST APRIL 2026

INTRODUCTION / REMARKS

The Pantyrhuad Herd was enrolled in the Welsh Black Cattle Society Herd Book in 2009.

Careful selection of breeding females and bulls saw the Herd grow in size and quality with progeny being sold at Abergavenny and later Raglan as well as privately.

In more recent years an increased percentage of the Herd has been crossed with quality Charolais bulls, with progeny sold at Raglan to great effect. We have no hesitation in recommending this fine Herd of cattle to established/new breeders alike.

The Dispersal of the Herd (Major part today) is due to the ill health of Mr Martyn Thomas. We are proud to offer the cattle on behalf of the family and would thank Mr Bryn Thomas for his assistance. Under the current circumstances, service information (PD dates & Service Sires) are provided as a GUIDE ONLY, and no guarantee can be given or made.

Full Pedigrees can be views on our website
